

Just by looking at the lead and discription I can tell if they are really motivated sellers or just tire kickers.

The leads are really good. I've bought leads here before and they are pretty concise and easy to buy. Since I'm just starting, its a lot more cost effective than doing bandit signs because the leads are already pre-qualified this saves time and money. The best feature is motivation level. Just by looking at the lead and discription I can tell if they are really motivated sellers or just tire kickers. Anyway, as I build house wholesaling business, I'm sure that I will continue to buy leads. It's reasonable, its effective and who knows you may take 27.00 and turn it into something big.
